Managing and Conserving Native Vegetation

Information for land managers
in the Border Rivers - Gwydir
catchments

An initiative of the Border Rivers-Gwydir Catchment Management Authority.

This book is under copyright. Except as permitted under the Copyright Act (1968), no part of the book may be reproduced by any process, electronic or otherwise, without the written permission of the copyright owner. Enquiries to be made to the Border Rivers-Gwydir Catchment Management Authority.

The information contained in this publication is based on knowledge and understanding at the time of writing (originally written in 2008 and updated July 2013). However, because of advances in knowledge, users are reminded of the need to ensure information upon which they rely is up-to-date and to check the currency of the information with the appropriate staff at the Border Rivers-Gwydir Catchment Management Authority or the users independent adviser.

Advice given in this book must be used in conjunction with current legislation. As legislation changes from time to time, the Border Rivers-Gwydir Catchment Management Authority takes no responsibility for individuals that undertake works without proper consultation with bodies administering the various legislative acts.
